Selected Route

BY CHANG

Paris - Champ de Mars Running Route

Eiffel Tower

Thanks to RPL, you can get information on significant locations along your running route.

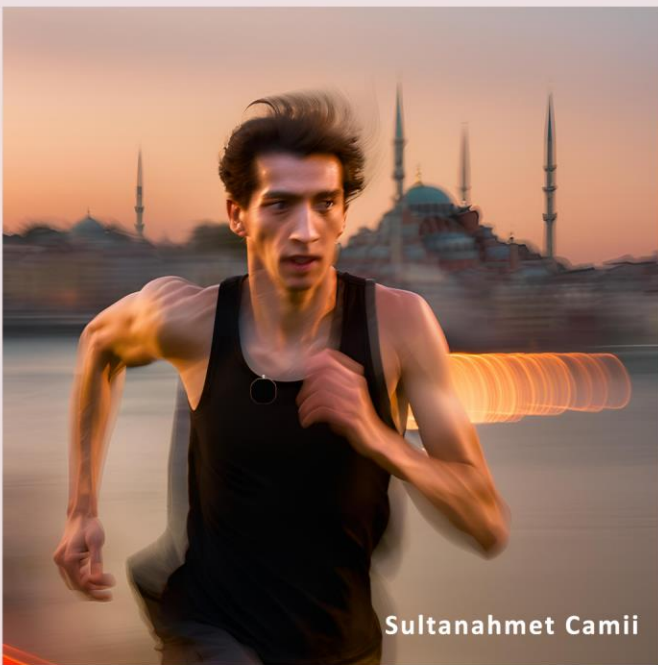

When the run is over, you may view your score and who ran with a similar level of difficulty.

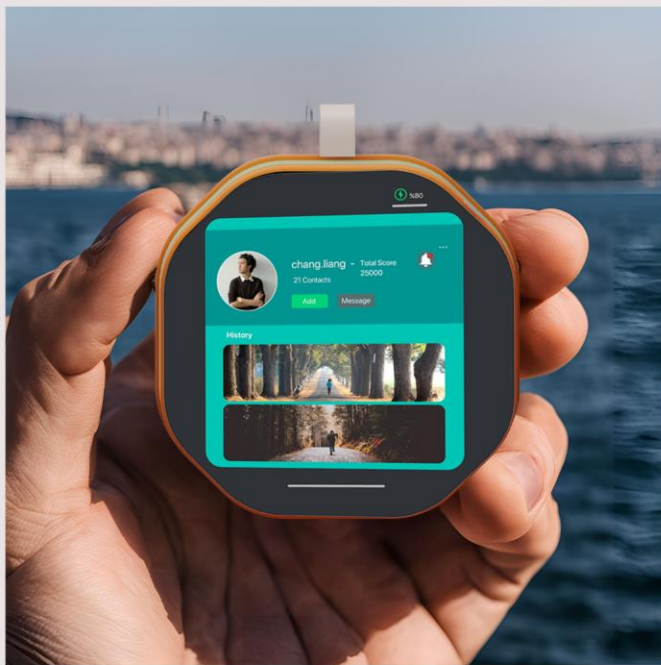

BY AHMET

Istanbul - Sultanahmet Meydanı Running Route

Sultanahmet Camii

At the end of the run, you can add people who run with you in different locations as friends.
